City Hire is your local hire company with everything you need for your job

Since 1980, City Hire has been providing quality equipment, prompt delivery and value for money to jobs all over Brisbane.

When you hire, you want it to be easy. Just one phone call or visit to our branch and we will have the gear ready for you. If you need a more specialised item, we'll do the running around and arrange to have it ready at the closest branch to you, or we can deliver it straight to your job.

We can provide you with the latest equipment to get your job done easier and faster

We are continually upgrading our equipment and introducing new items for hire. Our streamlined hiring system accepts most credit cards and EFTPOS, so you can be back on the job as soon as possible.

Our fleet of GPS tracked vehicles can have your equipment on the job site as soon as possible. Booking your equipment is always a good idea, but for urgent jobs our trained customer service people and delivery drivers are ready to assist you.

Why hire from City Hire?

Hiring saves you money

With no capital outlay, you have access to our huge range of modern equipment. You save on labour costs and the problem of registrations, insurance, depreciation, storage, repairs and maintenance.

When you hire, you're in charge

You can plan your project to suit your work schedule and hire the equipment whenever you need it.

Business hiring is fully tax deductible

Computer generated invoices and hire contracts provide you with complete accounting information to make your paperwork easy.

Hiring makes work easy

The right gear can make the most difficult jobs easy. You work safely and more productively with the latest equipment from City Hire.

More reliable equipment

We provide you with the most reliable equipment. Our products are the leading brand names of each type, and are recognized as the professional choice. We clean, service and test every piece of equipment every time it's used so that you can have the most reliable and effective equipment.

Meet peak loads

Add to your own equipment during peak periods without unnecessary capital outlay. Then just return the excess equipment when your busy period is over.

Customer service is our edge

You, as our customer, are the reason we are in business. We understand the needs of the building industry and that you rely on our tools and equipment to get your job done. Our staff members have a wealth of knowledge and experience in the best ways of using tools and equipment, and are always willing to provide assistance and advice if requested.

Hiring is easy

You can phone in and reserve the equipment for your peace of mind. Our branches are conveniently located across Brisbane, with drive-in car parking and loading areas. Our hiring system is designed for a quick & easy hire and off-hire process.

WHEN ARE WE OPEN?

We're open 6 days a week:

Week Days: 6:30 am to 4:40 pm
Saturday: 7:00 am to 12:00 pm

WHAT ARE THE HIRE PERIODS?

A day is any 24 hour period, eg. 8:42 am Monday to 8:42 am Tuesday.
A half-day is a four and a half-hour period. Overnight is negotiated.
A week is 7 days.

WHAT ARE THE HIRE RATES?

Our rate includes government stamp duty.
Damage waiver is included on most items.
Long-Term hire discounts are negotiable.

HOW CAN I PAY?

Pay by Cash, Credit Card or EFTPOS. Cheques by previous arrangement only. Our 30 Day Trading Account makes it easier for regular hirers. We accept payments by Visa, MasterCard, EFTPOS and direct deposit.

WHAT IF I AM NOT FAMILIAR WITH THE EQUIPMENT?

Our City Hire team will advise you on the most suitable equipment for the job and fully explain how to operate it safely. We also provide special user guides for some equipment.

WHAT IF CITY HIRE DOESN'T HAVE WHAT I NEED?

If the item is not listed, give us a call anyway. New equipment is continuously being added to our range. We can always obtain equipment from our other branches or find it for you from our contacts in the hire industry. Prior notice is essential for special items.

WHAT ABOUT DELIVERY AND PICK-UP?

We can deliver and pick-up with our fleet of utes and trucks. Rates are very competitive and are based on the distance from our nearest branch.

WHAT HAPPENS IF THE EQUIPMENT BREAKS DOWN?

If the break down occurs during our normal hours we will repair or replace the gear straight away.
